PTA Meeting Tonight!! Thursday, January 11, Roosevelt Library, 7-8:30 PM

A message from our school nurse, Kim Poulson:

We are seeing an increase in student's with complaints of; headache, congestion, cough, runny nose and warm to the touch. There is an ugly virus going around. From the onset of symptoms you can expect a 5-7 day course before you see improvement.

The best way to improve symptoms is to stay hydrated, nasal flushes (ugh) and humidity in the home. The best way to not get sick is wash your hands frequently and all surfaces (doorknobs, desks, door handles, cell phones, land lines, favorite pen). The Flu is on an increase. This virus is a mild version of the flu for people who have received the flu shot.

Congratulations to the 26 inventors who made it to the District Invent Idaho Competition.

Those moving onto the next level are the following:

Henry King, The Soccer Juggler

KK Patterson, COH

Taelyn Baiza, The Nautilus

Harrison Rowe, Steaminator

Michael Pantazes, The Fish Helmet

Taavi Walle, Fit 990

Kobe Banks, The Sock-O-Matcher

Stevi Gunn, Clothes Basket

Good job to all of our 2nd and 5th graders on INVENT IDAHO 2017!

The purpose of an open house is to answer any questions the community may have on the proposed equipment and to gain residents' support for the application request.
