This year's fun (adult-only) night out is on Saturday, April 21 at Stueckle Sky Center, overlooking the famous blue turf football field. Parent Education/Movie Nights

The Elementary School Counselors in the Boise High Quadrant are excited to invite you to an upcoming Popcorn/Movie Night at Boise High. Our goal is to get people in the Boise High community together and watch films that address issues facing our kids. We will screen Miss Representation on Tuesday, February 6th from 6:00-8:00 in the Boise High auditorium. The movie is about 90 minutes, and we will follow it with an informal (and optional) discussion lasting 30 minutes.

The film articulates major concerns regarding the messaging power of media and its destructive impact on adolescent identity and mental health. In a society where media is the most persuasive force shaping cultural norms, the collective message we receive is that a woman's value and power lie in her youth, beauty, and sexuality, and not in her capacity as a leader. The internalization of these ideas increases levels of depression and anxiety and inhibits our kids' ability to learn, thrive, and be comfortable in their own skin.

We are inviting all parents of elementary students in the Boise Quadrant to attend. The film is considered suitable for ages 15 and up. Childcare will be provided by Boise High students onsite during the events. We hope to enjoy the evening and learn something about helping our kids be healthy and confident.

If you are interested in seeing Miss Representation, but cannot attend the screening, it is available to view on Netflix. You can also learn more about this topic by visiting therepresentationproject.org
