ACTUALLY, IT'S NOT CRAZY AT ALL. NEITHER IS OUR MISSION.

Former "Rugrats" CEO, Terry Thoren, co-founded Wonder Media to advance storytelling as a solution for underserved, disenfranchised and at-risk students to elevate the way they learn 21st century skills.

Our StoryMaker Summer Animation Academy can be customized to fit any summer schedule. Our programs allow students to dive right in to storytelling with animated characters. Students master new literacy and technology skills each day as they create powerful animated stories that they can share with the world.
