It encourages students to eat healthy (fuel up) and exercise daily for 60 minutes (play 60). Our two plays are our mileage club at lunch and snacking smarter (which promotes students to bring healthy snacks to school). Students and parents can sign up and join the Roosevelt Team on fueluptoplay60.com. It allows students to keep track of their progress in these two areas and will send them certificates when they achieve certain goals.

- ✓ **Safe Routes to School** - Roosevelt PTA and Safe Routes to School are wanting to partner up. Our goal is to help educate our children on how to be the safest when walking or biking to and from school. The PTA is looking for a parent who finds pedestrian and bike safety of interest who can help co-chair this committee. We are not sure the time commitment as of yet but as a co-chair the amount of time would not be as much as taking it on alone. If you are interested in helping out please contact Tiffany at tiffanyarobb@gmail.com

- ✓ **Please join us for our annual children's pop-up shop** - 5-9pm on Thursday, October 6th. We are so excited to give the youth of Idaho an opportunity to create and sell their homemade items. Help support and foster their love of the arts. For every purchase you make from a child at the event you will receive one raffle ticket. Raffle winners will receive a gift certificate to Idaho Made. Know a child under 18 who would be interested in setting up a table or display? This event is free as a gift to the community. If the family does not have a tax ID number we can run the taxes through the store with a small form you help them complete at the event. We will have the event open from 5-9, however little ones that need to leave earlier for bedtime will be able to do so provided their packing up doesn't interfere with the displays around them. For all of the details or to reserve a space for your child e-mail idahomade@gmail.com
