Santa's Toy Box provides toys and other items to pediatric patients who are in the hospital during the holidays, as well as their siblings. Families get to "shop" for their children for free. It is a wonderful program lifting spirits of those who have to be in the hospital during the holidays. They are looking for new, unwrapped toys and other items. The link below gives information about the program as well as suggestions by age group. They specifically need items for the teen age group. There will be a toy box outside of the Roosevelt front office for donations. Please have donations in by Monday, December 19th. They will be delivered the evening of the 19th. This is a great way to involve your kids in the spirit of giving this holiday season!
