  - During lunch the student council came around with a box for change collection and a student flyer to go home. If you could encourage your students to bring in change to donate, that would be nice. We thought a goal of about \$25 per class would be reasonable with a total of \$300 for the school.

## **BOND WOULD NOT RAISE CURRENT TAX RATE**

On Tuesday, March 14, 2017 the Boise School District will hold a bond election to reinvest in our neighborhood schools and community with no increase in the current property tax rate.

The District is able to raise \$172.5 million WITHOUT increasing the current property tax rate for property owners due to:

- Sound financial management and long-term planning
- Rising property values in Boise
- The expiration of the 2012 levy and 1996 bond
- The restructuring of other long-term debt

The bond addresses overcrowding, outdated and aging facilities, and gives students access to modern classrooms and schools that reflect best practices in education and technology - ensuring students graduate college and career ready.

- ✓ **Attention residents with trash/recycling alley service** - The recent and ongoing weather has had a major impact on the ability of Republic Services, the trash and recycling contractor for the City of Boise, to collect trash and recycling in city alleys. For customers whose alleys are inaccessible to collection trucks due to ice and snow, Republic Services asks they continue to place trash and recycling carts as close to the nearest plowed street as possible, in a visible and accessible location by 7 a.m. on their regular collection day, or the night before. The closest location may be in front of a house or at the end of an alley. Republic Services will also pick up all overflow trash and recycling. If customers cannot move their carts to the street for collection, trash is being accepted in plastic garbage bags and recycling will be accepted in large paper leaf bags and/or cardboard boxes (not to exceed 35 pounds each).

For those customers whose trash and recycling has been collected as usual in the past week, they can continue to set out both trash and recycling on their standard collection day in their normal location.

Please contact Republic Services at (208) 345-1266 if you have specific collection needs. Customers are encouraged to regularly check [curbitboise.org](http://curbitboise.org) for important service updates.
