EXTRA! EXTRA!

- ✓ The Character Trait for the Month of January is “Honesty”.

- ✓ **Roosevelt Community Outreach Program:**

Purpose: To move students, staff, and families toward a deeper understanding of what community means at the local and global levels, and to provide experiences that provide intrinsic and interpersonal rewards that come from being an active community participant.

Goal: As a community we will work to develop a true understanding and respect for how organizations foster the growth and productivity of local and global communities.

General Outline of Outreach Program: As we explore our options for utilization and participation in these organizations we will involve the Roosevelt community in activities that can include and go beyond donation-driven campaigns. Through hands-on experiences and more in-depth understanding of the inner workings of community organizations, we will be able to make educated choices about our current and future roles in the local and world community.

- **Umbrella Organization & Theme**

- -An umbrella organization and theme will be selected
- -A school-wide kick-off assembly will introduce the organization & theme

- **Project Involvement**

✓ **Roosevelt Box Top Update:**

We hope you all had a lovely holiday break and now that it is a distant memory we are working towards the next box top competition.

The next competition is in planning and will run through Spring Break (March 21st to 25th) over 3 weeks period. Specific Details will be issued soon.

Please continue to collect Box Tops for the school. All box tops brought into each classroom will be counted towards the classroom count in the next competition.

There are many companies that have box tops such as Mott's, Hefty, Pillsbury, General Mills etc. and now Annie's has been added to the list.

Our school goal is to reach \$1,000 this year. The Student Council has been presented with the opportunity to determine where this money should be spent.

Encourage your kids to contact their Student Council representative with their ideas!

✓ **Girls on The Run:** If you could help not just one girl, but a group of 10-20 girls gain a stronger sense of identity, greater self-acceptance, a healthier body, and an understanding of what it means to be part of a team in just a few hours a week, would you?

Girls on the Run Treasure Valley is looking for coaches to help at our Roosevelt Elementary site. The program will meet twice a week for 10-weeks, starting February 29th. Coaches don't need to be runners; the only requirements are enthusiasm and commitment to the healthy development of young girls. Coaches receive training and are provided detailed lesson plans as well as the materials and guidance needed to implement our curriculum.

For more information and to sign up, visit www.gotrvtv.org/coach. New coaches trainings start February 1st.

✓ **Yearbooks:** Pre-sales will be from February 1st through February 26th. Please keep in mind we only order a few extra besides what has been pre-purchased so be sure to get your orders in sooner than later. An order sheet will be sent home with each student next week. The order form will have the yearbook price as well as an option to purchase and donate a yearbook to a student who isn't able to purchase one. Please return your order form as well as payment to your student's teacher or the front office before the deadline. Checks can be made out to Roosevelt PTA. Photos for the yearbook will be accepted up until the 26th as well, so please keep sending those to mrsmschultz@gmail.com. Looking forward to a great 2015-2016 Roosevelt yearbook!
