 - Awards Assembly grades 4-6 June 2, 9am
 - Last Day of School/Early Release June 2, 1:15pm
-

EXTRA! EXTRA!

- ✓ The Character Trait for the month of May is responsibility.
- ✓ **Spring Fling** A huge thank you to all the parents who came out and generously supported Spring Fling. The money we raised is already being put to good use around the school and your contributions to next year's classrooms are greatly appreciated by all the teachers. THANK YOU!

It's not too late - if you were unable to attend Spring Fling but would still like to donate to your students' classrooms next year, you can do so through our Fund-A-Need program. Each grade has developed a list of resources they would like for next year and your contributions will go directly towards meeting these needs. More information on each grade's list is available at the front office and checks can be dropped off with Barb.

- ✓ **University Project** On Thursday, May 26th - Roosevelt is showing their true colors --- College Colors, that is! In support of our 5th grade Roosevelt University Project where 5th graders researched and interviewed our staff members about their Bachelor's Degree College experience, facts, and tidbits, we are asking the entire school to wear their favorite college gear! Prizes, Photo Opportunities, and results of our College Clues RU project will come together on this fun day! So start finding those jewels and be ready to sport some college pride!
- ✓ **PTA** There are still three positions open on our PTA board. This is your chance to support your school and work with some great families. We still need:

Monster Mash/Harvest Festival Chairperson-organizes volunteers for the event typically held the last Friday of October.

Art Parent Coordinator-recruits and organizes parent volunteers for each classroom in the school to assist the art instructor during art class. This person also coordinates art projects for the Spring Fling art auction.

Read-A-Thon Chairperson-organizes the annual fundraiser, tabulates minutes read and presents awards to the top readers. The date of this event is not yet set.

- ✓ **Volunteer Appreciation Brunch** Our Roosevelt Volunteer Appreciation Brunch will be held on Thursday, June 2nd from 8:30-9:00am in the Roosevelt Library. Please RSVP to stephanie.williams@boiseschools.org by Friday, May 20th if you are able to attend.
- ✓ **Friday is Spirit Day** Don't forget to wear your red and black or school spirit wear this Friday to show your school spirit!
