EXTRA! EXTRA!

- ✓ **Safe Routes to School** - Roosevelt PTA and Safe Routes to School are wanting to partner up. Our goal is to help educate our children on how to be the safest when walking or biking to and from school. The PTA is looking for a parent who finds pedestrian and bike safety of interest who can help co-chair this committee. We are not sure the time commitment as of yet but as a co-chair the amount of time would not be as much as taking it on alone. If you are interested in helping out please contact Tiffany at tiffanyarobb@gmail.com
- ✓ **Playground Equipment Committee** - It's time we start talking about the replacement or updating of our playground equipment. Roosevelt has an opportunity to partner up with our East End Neighborhood Association (EENA) and see if we can accomplish this goal by spring of 2018. Through a partnership with EENA and the City of Boise we can apply for a Neighborhood reinvestment grant that could cover a large portion of the expense and the Boise School District usually does all the ground prep. What we need is for a few ambitious parents who would like to take this project on. You do NOT have to be a grant writing aficionado (the City of Boise can help us with that) you just need to have a desire to see this through. This committee chair can be a co-chair position because two or three is much better than one. If you are interested and or want more information please contact Tiffany Robb at tiffanyarobb@gmail.com

If you would like to see some local examples of playground equipment replaced through neighborhood reinvestment grants and partnering with neighborhood associations please go check out Adams Elementary in the East End and Washington Elementary in the North End.

Help support and foster their love of the arts. For every purchase you make from a child at the event you will receive one raffle ticket. Raffle winners will receive a gift certificate to Idaho Made.

Know a child under 18 who would be interested in setting up a table or display? This event is free as a gift to the community. If the family does not have a tax ID number we can run the taxes through the store with a small form you help them complete at the event. We will have the event open from 5-9, however little ones that need to leave earlier for bedtime will be able to do so provided their packing up doesn't interfere with the displays around them.
