EXTRA! EXTRA!

Thank you to everyone who supported Monster Mash 2016 and our Annual Book Fair. It was such a fun night for all of us and we raised \$1,400 at the Monster Mash and 1,000.00 at the Book Fair! All of this money goes right back to our classrooms, library and teachers.

A special thank you to Anita Keil and our Monster Mash and Book Fair volunteers who helped make the night run so smoothly. We couldn't do this without you!

Roosevelt's Student Council asked our families to bring in supplies for families in Haiti, such as shampoo, soap, toothpaste, etc. We had four paper boxes donated by families, and we are still collecting, so if you are at the store and still want to donate, we would gladly take more donations.

Parent/Teacher Conferences are next week. If you have not received an email from your teacher, please look in your spam folder for SIGNUP GENIUS email. We are scheduling our conferences online this year. Please reach out to your teachers to set up a meeting time.

Thanks

Juli Bronner, Principal

- ✓ **Bike Rack** - No matter wind or rain, you can count on our Roosevelt parents to get a job done. We would love to thank the generous families who took time to paint our bike rack, out front of the school, this past week. Thank you Kapuscinski Family, Everard Family, Strasser Family, and Messerly Family, you are awesome!
- ✓ **Rake Up Boise** - If you or anyone you know can benefit from Rake Up Boise please sign up! Please contact Emily Pohlman at (208) 258-6229 or epohlman@nwboise.org
- ✓ **Attention all crafty Roosevelt students!** - Roosevelt will once again celebrate your amazing talent with the 4th Annual Roosevelt Craft Fair! This is a great opportunity to share your handcrafted goods with your classmates and teachers and help support a local cause! Registration fees and art supplies (collected at the Craft Fair) are all donated to St. Lukes Children's Hospital.

SAVE THE DATE! This year's Craft Fair will be on Wed Nov 30, and Thurs Dec 1 from 3:15-4:30pm (participate in one or both days). Details coming soon, but if you want to start crafting... then READY, SET, GO!! (please no food items)

Parents, if you would be interested in helping Julie Bush with this event, your help would be appreciated! Specifically, help on the day of the fair. This is a simple event to help with, as all the kids do the work! Please contact Julie at jbushdesigns@hotmail.com if you can be available to help on the days of the event!

- ✓ **You're Invited To Complete Online Questionnaire Regarding School Facilities:** The public is invited to weigh-in on a draft Facility Master Plan that is currently being considered by the Boise School District. The draft Plan would help guide the District for the next 10-20 years. The draft plan is the result of a year long public process to evaluate Boise's neighborhood schools, 52% of which are more than a half-century old.

- ✓ **Red Ribbon Week** is a nationally recognized anti-drug effort that delivers one of the most important messages students will ever receive; they have the choice to live a drug free life.

On Monday, October 24, students from around the Treasure Valley will rally at the Statehouse for the Red Ribbon Rally to pledge to keep the community of Boise strong by making the choice to stay drug free.

This year, Governor Otter and the First Lady will be attending the Red Ribbon Rally. Governor Otter will read a proclamation to kickoff Red Ribbon Week and encourage all Idahoans to support efforts in prevention and education as it pertains to substance abuse and encouraging youth to live a healthy, drug-free lifestyle.

Eugene Smith, Deputy Chief with the Boise Police Department, will be the featured speaker and Boise School District's Layla Abdulhameed from Taft Elementary School will be one of the student speakers. In addition Shadow Hills Elementary School choir and Boise High School's choir will be performing and the Boise High School cheerleaders will be there to assist with the program.

Throughout this week in our district, K-12 students will be participating in **Red Ribbon Week from October 24th - 28th**. A variety of school events have been planned such as: hearing drug free messages through school wide assemblies, making pledges to stay drug free and participating in drug free activities. Please join students and other staff from around the district in these activities.
